

Donte's Pizzeria

Offering Great Food a Short Drive from Peters

Off the beaten path but very much worth the drive is a wonderful pizzeria that offers some of the best pizza in the area!

Located in a small strip mall at 6409 Brownsville Road in South Park, Donte's Pizzeria has a façade that belies the clean, bright and pleasant interior. Established in May 2006 by Dwaine and Denise Marasco, Donte's specializes in delicious hand-tossed pizza which comes by the pie or by the slice. You may eat-in or take-out. There is seating for 24 in the dining area, with additional seating in the newly opened game room, which offers arcade games, two televisions and may be reserved for private parties or fundraisers.

On a recent lunch visit, our staff decided to share three of the five daily lunch specials. After ordering directly from Dwaine at the counter, we were seated by the friendly wait staff, who brings the food and drinks to the table. We tried the salad and pizza, the meatballs (with tossed salad), and the pepperoni "minis." The pizza reminded us of pizza you normally find at the Jersey Shore (it was that good!). The two meatballs were large, homemade and perfect. The pizza minis were described as "like a pizza roll" but the size was anything but mini. It was actually more like a large calzone filled with cheese and pepperoni. Very good and filling. Each of the lunch specials was \$5.99 and included a beverage. The dinner menu offers a large variety of pastas and hoagies in addition to the pizzas, calzones and salads.

Donte's is the kind of place you will enjoy with your entire family and will want to visit repeatedly. With its close proximity to South Park and South Park Golf course, it would be the perfect end for a day at the park, riding bikes or golfing.
